When asked why Dr. Mirabello chose to practice at Frisbie Memorial Hospital he said,

"I was impressed with the commitment Frisbie Memorial Hospital is making to the community to bring the most modern, advanced treatment options. They do this while keeping the personal feeling only a local community hospital can provide. I wanted to be a part of this effort."

Area of specialty:

Dr. Mirabello is a specialist in obstetrics and gynecology, devoting himself to all aspects of women's health.

Dr. Mirabello has expertise in the following services and more:

Obstetrics

- Prenatal care
- Low and high risk pregnancy
- Initial infertility evaluation
- In-office 4-D ultrasound
- In-office fetal monitoring

Gynecology

- Routine annual exam
- Colposcopy/LEEP procedures
- Abnormal bleeding—medical and surgical options
- Incontinence evaluation and treatment
- Operative laparoscopy and hysteroscopy
- Mammogram and bone density referrals
- In-office 4-D ultrasound

Making an appointment:

If you would like to be seen by Dr. Mirabello, please call the Rochester OB/GYN office. Patients can self-refer into the office. Those with HMO plans requiring referrals need to go through their PCP for an appointment.
