Frisbie Memorial Hospital Volunteer Program welcomes people of all ages. Our volunteers are retirees, professionals, homemakers, students, part-time residents and men and women of all backgrounds who live in surrounding communities. They are very special people who have one common purpose — they want to help others and make a difference.

Ways You Can Make a Difference

You don't need special skills to become a volunteer. Every volunteer offers his or her unique and individual interests, talents, and experience in contributing to the volunteer program.

Each prospective volunteer is interviewed, and together with the Director of Volunteer Services, we determine where your interests and skills best match the needs of the hospital. Once an assignment has been decided, you will be required to attend orientation and provide proof of immunizations.

Due to the time and costs associated with orientation, we ask that volunteers commit to serve a minimum of 3 hours per week, or 50 hours per year. Hours and days are flexible to fit your lifestyle and schedule.

Benefits of Volunteering

There are many benefits to volunteering at Frisbie:

- You help patients and visitors.
- You meet new people and make new friends.
- You learn new skills.
- You develop new interests.
- You receive a complimentary meal in the cafeteria for each three-hour shift you volunteer.
- You can purchase items at discounted prices in Frisbie's Employee Store.
- You will be recognized at Frisbie's annual Volunteer Banquet and awarded a service pin for the number of hours and years volunteered.

Volunteering Offers Something for Anyone Who Wants to Make Their Spare Time Special

Become a part of our outstanding team of volunteers who collectively contribute over 30,400 hours of service annually to our patients, visitors and staff. The rewards are great! To learn more about becoming a volunteer, or to schedule an interview appointment, please call today.

For more information on Volunteer Opportunities, please call 603-330-8979.

IF YOU HAVE A POSITIVE ATTITUDE AND ENJOY HELPING OTHERS, VOLUNTEERING IS FOR YOU!
